

# Aditya Rana

## Professional Summary

A highly motivated and recent Computer Science graduate with a strong foundation in programming, data structures, and algorithms. Proficient in languages such as Python, Machine Learning, and AI, with hands-on experience in developing AI-ML-based Projects and participating in coding competitions. Eager to apply problem-solving skills and technical knowledge in a dynamic work environment to contribute to innovative projects.

## Education

### M.E CSE at Chandigarh University

July 2024 - Present

Currently completing courses in CSE, AI-ML, and Deep Learning and Online Learning and MOOCs: Natural Language Processing

### B.E CSE at Chandigarh University

July 2020 - July 2024

**Grade: 7.31**

Graduated with a GPA of 7+ and successfully developed projects such as Phishing Website Detection and Stock Market Prediction using Machine Learning techniques.

## Experience

### AI-ML Intern at Labmentix

October 2025 - December 2025

- Worked on real-world projects as well as data from renowned companies.
- Awarded with Letter of Recommendation for strong performance and contributions in TensorFlow, Keras, PyTorch, OpenCV, and Scikit-learn

## Skills

**Python:** Experience of 6 years

**Machine Learning:** Experience of 3 years

**Artificial Intelligence and Deep Learning:** Experience of 1 years each

## Projects

### Credit Risk Prediction using Machine Learning

Developed a machine learning model to predict credit risk by analyzing borrower and financial data, performing EDA, preprocessing, feature engineering, and model evaluation using Python.

### PhonePe Dashboard and Data Visualization

Built an interactive Python dashboard to analyze PhonePe transaction and user data, using Streamlit and Plotly for dynamic visualizations and filtered insights.

### Flood Detection & Weather Risk Dashboard with Machine Learning

Developed a Python-based dashboard integrating Google Earth Engine, JRC Global Surface Water, Open-Meteo API, and ML for flood forecasting.

## Letter Of Recommendation

Date: 3 January 2026

To Whomsoever It May Concern,

It is our pleasure to recommend **Aditya Rana**, who served as an **AI/ML Internship** at Labmentix Pvt. Ltd. from **01-Oct-2025** to **01-Jan-2026**.

Throughout the internship, **Aditya** showcased expertise in machine learning model development, deep learning architectures, and AI-based application building. He utilized tools and frameworks such as TensorFlow, Keras, PyTorch, OpenCV, and Scikit-learn to solve real-world problems.

**Aditya** demonstrated outstanding technical skills, creativity, and problem-solving ability. Their commitment to quality work and their eagerness to learn made them an asset to our team.

We strongly recommend them for any AI/ML-related roles.

Sincerely,

**Swaraj Phatangade**  
Founder & CEO
